KATE

EXPERIENCE FEE: \$45 PER PERSON

Ever notice stylish people always look so confident? Want to look and feel poised and struggle less with “what to wear” every day? It’s time to make smarter decisions in terms of your wardrobe choices and personal styling, head to toe.

A wardrobe you love is waiting for you... It’s nothing but clothes and accessories that speak to your true persona. Each piece relates to your face shape, fits your body and showcases your personal style. **Shop Smart Dress Smart** brings confidence back into your life!

Now is the right time to discover your personal style! After this workshop, your creativity becomes unstoppable because you will know how to dress your own body while expressing your individuality.

Shop Smart Dress Smart *Styled by Kate*[™] experience is an exclusive style and wardrobing event with Kate Leser, a corporate and entertainment industry professional image expert with more than 20 years in practice. Your *Styled by Kate*[™] experience delivers the most comprehensive approach to cultivating the *Personal Style Expression* you want to convey from casual to social and everything in between.

SHOP SMART

- Choose appropriate looks for YOU
- Choose accessories to harmonize and individualize your look
- Gone are the days of buying “mistakes”
- Save time shopping and have more fun
- Only purchase items that fit your personal style criteria

DRESS SMART

- Create self-assured looks
- Express your personality through your wardrobe
- Mix and match your wardrobe easily
- Have more to wear with less

Each participant will discover the science and art behind her face shape, body type and personal style expression so she can make **smarter choices** in terms of her head to toe wardrobe selections and personal style.

The ***Styled by Kate***[™] experience delivers an effortless way to put your best face and best foot forward every day.
